### **FLEXTRONICS TO REPORT THIRD QUARTER RESULTS**

**Singapore, December 3, 2008** – Flextronics (NASDAQ: FLEX) today announced that it will report third quarter results on Wednesday, January 28, 2009.

The conference call, hosted by Flextronics's senior management, will be held on January 28, 2009 at 2:00 p.m. PST to discuss the financial results of the Company for its third quarter ended December 31, 2008.

The call will be available via the Internet and may be accessed by logging on to the Company's Web site at [www.flextronics.com](http://www.flextronics.com). A replay of the broadcast will also be available on the Company's Web site after the call.

Minimum requirements to listen to the broadcast are Microsoft Windows Media Player software (free download at <http://www.microsoft.com/windows/windowsmedia/download/default.asp>) and at least a 28.8 Kbps bandwidth connection to the Internet.

### **About Flextronics**

Headquartered in Singapore (Singapore Reg. No. 199002645H), Flextronics is a leading Electronics Manufacturing Services (EMS) provider focused on delivering complete design, engineering and manufacturing services to automotive, computing, consumer digital, industrial, infrastructure, medical and mobile OEMs. With the acquisition of Solectron, pro forma fiscal year 2008 revenues from continuing operations are more than US\$33.6 billion. Flextronics helps customers design, build, ship, and service electronics products through a network of facilities in 30 countries on four continents. This global presence provides design and engineering solutions that are combined with core electronics manufacturing and logistics services, and vertically integrated with components technologies, to optimize customer operations by lowering costs and reducing time to market. For more information, please visit [www.flextronics.com](http://www.flextronics.com).
